- Country: Hungary , with distance from center of cluster 21.63
- Country: Paraguay , with distance from center of cluster 10.4
- Country: Peru , with distance from center of cluster 12.4
- Country: Pakistan , with distance from center of cluster 15.26
- Country: Russia , with distance from center of cluster 13.31
- Country: Philippines , with distance from center of cluster 14.8
- Country: Serbia , with distance from center of cluster 15.12
- Country: Moldova , with distance from center of cluster 15.15
- Country: Libya , with distance from center of cluster 6.71

- Country: Montenegro , with distance from center of cluster 17.9
- Country: Tajikistan , with distance from center of cluster 21.61
- Country: Croatia , with distance from center of cluster 18.66
- Country: Dominican Republic , with distance from center of cluster 10.85
- Country: Bosnia and Herzegovina , with distance from center of cluster 14.85
- Country: Turkey , with distance from center of cluster 17.45
- Country: Malaysia , with distance from center of cluster 18.29
- Country: Belarus , with distance from center of cluster 32.21
- Country: Greece , with distance from center of cluster 26.0
- Country: Mongolia , with distance from center of cluster 7.59
- Country: North Macedonia , with distance from center of cluster 11.14
- Country: Kyrgyzstan , with distance from center of cluster 20.96
- Country: Turkmenistan , with distance from center of cluster 6.49
- Country: Algeria , with distance from center of cluster 17.11
- Country: Morocco , with distance from center of cluster 9.77
- Country: Azerbaijan , with distance from center of cluster 9.59
- Country: Lebanon , with distance from center of cluster 12.97
- Country: Indonesia , with distance from center of cluster 19.73
- Country: China , with distance from center of cluster 14.56
- Country: Vietnam , with distance from center of cluster 15.51
- Country: Bhutan , with distance from center of cluster 13.62
- Country: Bulgaria , with distance from center of cluster 12.5
- Country: Ghana , with distance from center of cluster 18.26
- Country: Nepal , with distance from center of cluster 26.55
- Country: Jordan , with distance from center of cluster 9.95
- Country: Gabon , with distance from center of cluster 11.38

- Country: Laos , with distance from center of cluster 13.06
- Country: South Africa , with distance from center of cluster 12.02
- Country: Albania , with distance from center of cluster 23.65
- Country: Venezuela , with distance from center of cluster 14.83
- Country: Senegal , with distance from center of cluster 24.95
- Country: Namibia , with distance from center of cluster 10.85
- Country: Armenia , with distance from center of cluster 15.83
- Country: Iran , with distance from center of cluster 33.32
- Country: Georgia , with distance from center of cluster 15.8
- Country: Tunisia , with distance from center of cluster 15.73
- Country: Bangladesh , with distance from center of cluster 19.58
- Country: Iraq , with distance from center of cluster 23.19
- Country: Sri Lanka , with distance from center of cluster 32.69
- Country: Ukraine , with distance from center of cluster 14.63
- Country: Egypt , with distance from center of cluster 11.02
- Country: India , with distance from center of cluster 15.52
