- Country: Nigeria , with distance from center of cluster 17.96
- Country: Cameroon , with distance from center of cluster 12.26
- Country: Ivory Coast , with distance from center of cluster 9.29
- Country: Benin , with distance from center of cluster 10.21
- Country: Congo (Brazzaville) , with distance from center of cluster 16.77
- Country: Cambodia , with distance from center of cluster 26.62
- Country: Palestinian Territories , with distance from center of cluster 23.99
- Country: Somalia , with distance from center of cluster 23.21
- Country: Niger , with distance from center of cluster 12.8
- Country: Burkina Faso , with distance from center of cluster 15.29
- Country: Guinea , with distance from center of cluster 13.65
- Country: Gambia , with distance from center of cluster 14.76
- Country: Kenya , with distance from center of cluster 16.32
- Country: Mauritania , with distance from center of cluster 18.77
- Country: Mozambique , with distance from center of cluster 16.21
- Country: Congo (Kinshasa) , with distance from center of cluster 15.2
- Country: Mali , with distance from center of cluster 17.79
- Country: Sierra Leone , with distance from center of cluster 7.78
- Country: Myanmar , with distance from center of cluster 26.4
- Country: Chad , with distance from center of cluster 16.71
- Country: Ethiopia , with distance from center of cluster 20.75
- Country: Swaziland , with distance from center of cluster 24.87
- Country: Uganda , with distance from center of cluster 8.0
- Country: Zambia , with distance from center of cluster 18.26

- Country: Togo , with distance from center of cluster 8.56
- Country: Liberia , with distance from center of cluster 25.45
- Country: Comoros , with distance from center of cluster 18.37
- Country: Madagascar , with distance from center of cluster 18.06
- Country: Lesotho , with distance from center of cluster 8.48
- Country: Burundi , with distance from center of cluster 18.78
- Country: Zimbabwe , with distance from center of cluster 14.13
- Country: Haiti , with distance from center of cluster 16.87
- Country: Botswana , with distance from center of cluster 48.42
- Country: Syria , with distance from center of cluster 19.87
- Country: Malawi , with distance from center of cluster 19.18
- Country: Yemen , with distance from center of cluster 13.02
- Country: Rwanda , with distance from center of cluster 23.5
- Country: Tanzania , with distance from center of cluster 23.33
- Country: Afghanistan , with distance from center of cluster 16.98
- Country: Central African Republic , with distance from center of cluster 27.9
- Country: South Sudan , with distance from center of cluster 20.42

## Cluster number 1

- Country: Finland , with distance from center of cluster 13.21
- Country: Denmark , with distance from center of cluster 14.95
- Country: Norway , with distance from center of cluster 14.84
- Country: Iceland , with distance from center of cluster 10.95
- Country: Netherlands , with distance from center of cluster 10.17
- Country: Switzerland , with distance from center of cluster 14.12
- Country: Sweden , with distance from center of cluster 12.59
- Country: New Zealand , with distance from center of cluster 13.47
- Country: Canada , with distance from center of cluster 11.99
- Country: Austria , with distance from center of cluster 9.09
- Country: Australia , with distance from center of cluster 11.29
- Country: Costa Rica , with distance from center of cluster 16.87
- Country: Israel , with distance from center of cluster 12.79
- Country: Luxembourg , with distance from center of cluster 23.83
- Country: United Kingdom , with distance from center of cluster 9.2
- Country: Ireland , with distance from center of cluster 12.36
- Country: Germany , with distance from center of cluster 8.61
- Country: Belgium , with distance from center of cluster 8.6
- Country: United States , with distance from center of cluster 6.08
- Country: Czech Republic , with distance from center of cluster 11.85
- Country: United Arab Emirates , with distance from center of cluster 8.86
- Country: Malta , with distance from center of cluster 12.75
- Country: Mexico , with distance from center of cluster 14.67
- Country: France , with distance from center of cluster 16.18
- Country: Taiwan , with distance from center of cluster 10.19

- Country: Chile , with distance from center of cluster 13.62
- Country: Saudi Arabia , with distance from center of cluster 10.96
- Country: Qatar , with distance from center of cluster 16.59
- Country: Spain , with distance from center of cluster 14.16
- Country: Panama , with distance from center of cluster 12.32
- Country: Uruguay , with distance from center of cluster 11.1
- Country: Singapore , with distance from center of cluster 22.21
- Country: Italy , with distance from center of cluster 18.23
- Country: Bahrain , with distance from center of cluster 4.67
- Country: Slovakia , with distance from center of cluster 16.01
- Country: Trinidad & Tobago , with distance from center of cluster 12.71
- Country: Poland , with distance from center of cluster 17.5
- Country: Slovenia , with distance from center of cluster 10.23
- Country: Cyprus , with distance from center of cluster 13.88
- Country: Kuwait , with distance from center of cluster 16.79
- Country: Latvia , with distance from center of cluster 15.1
- Country: South Korea , with distance from center of cluster 21.55
- Country: Estonia , with distance from center of cluster 5.56
- Country: Japan , with distance from center of cluster 19.17
- Country: Kazakhstan , with distance from center of cluster 11.54
- Country: Northern Cyprus , with distance from center of cluster 11.59
- Country: Portugal , with distance from center of cluster 15.94
- Country: Hong Kong , with distance from center of cluster 22.06

## Cluster number 2

- Country: Guatemala , with distance from center of cluster 11.51
- Country: Brazil , with distance from center of cluster 11.81
- Country: El Salvador , with distance from center of cluster 10.18
- Country: Uzbekistan , with distance from center of cluster 18.72
- Country: Lithuania , with distance from center of cluster 17.65
- Country: Colombia , with distance from center of cluster 10.96
- Country: Nicaragua , with distance from center of cluster 18.69
- Country: Kosovo , with distance from center of cluster 13.59
- Country: Argentina , with distance from center of cluster 14.97
- Country: Romania , with distance from center of cluster 15.12
- Country: Ecuador , with distance from center of cluster 14.37
- Country: Thailand , with distance from center of cluster 13.64
- Country: Jamaica , with distance from center of cluster 15.75
- Country: Mauritius , with distance from center of cluster 13.85
- Country: Honduras , with distance from center of cluster 19.8
- Country: Bolivia , with distance from center of cluster 10.17
- Country: Hungary , with distance from center of cluster 21.63
- Country: Paraguay , with distance from center of cluster 10.4
- Country: Peru , with distance from center of cluster 12.4
- Country: Pakistan , with distance from center of cluster 15.26
- Country: Russia , with distance from center of cluster 13.31
- Country: Philippines , with distance from center of cluster 14.8
- Country: Serbia , with distance from center of cluster 15.12
- Country: Moldova , with distance from center of cluster 15.15
- Country: Libya , with distance from center of cluster 6.71

- Country: Montenegro , with distance from center of cluster 17.9
- Country: Tajikistan , with distance from center of cluster 21.61
- Country: Croatia , with distance from center of cluster 18.66
- Country: Dominican Republic , with distance from center of cluster 10.85
- Country: Bosnia and Herzegovina , with distance from center of cluster 14.85
- Country: Turkey , with distance from center of cluster 17.45
- Country: Malaysia , with distance from center of cluster 18.29
- Country: Belarus , with distance from center of cluster 32.21
- Country: Greece , with distance from center of cluster 26.0
- Country: Mongolia , with distance from center of cluster 7.59
- Country: North Macedonia , with distance from center of cluster 11.14
- Country: Kyrgyzstan , with distance from center of cluster 20.96
- Country: Turkmenistan , with distance from center of cluster 6.49
- Country: Algeria , with distance from center of cluster 17.11
- Country: Morocco , with distance from center of cluster 9.77
- Country: Azerbaijan , with distance from center of cluster 9.59
- Country: Lebanon , with distance from center of cluster 12.97
- Country: Indonesia , with distance from center of cluster 19.73
- Country: China , with distance from center of cluster 14.56
- Country: Vietnam , with distance from center of cluster 15.51
- Country: Bhutan , with distance from center of cluster 13.62
- Country: Bulgaria , with distance from center of cluster 12.5
- Country: Ghana , with distance from center of cluster 18.26
- Country: Nepal , with distance from center of cluster 26.55
- Country: Jordan , with distance from center of cluster 9.95
- Country: Gabon , with distance from center of cluster 11.38

- Country: Laos , with distance from center of cluster 13.06
- Country: South Africa , with distance from center of cluster 12.02
- Country: Albania , with distance from center of cluster 23.65
- Country: Venezuela , with distance from center of cluster 14.83
- Country: Senegal , with distance from center of cluster 24.95
- Country: Namibia , with distance from center of cluster 10.85
- Country: Armenia , with distance from center of cluster 15.83
- Country: Iran , with distance from center of cluster 33.32
- Country: Georgia , with distance from center of cluster 15.8
- Country: Tunisia , with distance from center of cluster 15.73
- Country: Bangladesh , with distance from center of cluster 19.58
- Country: Iraq , with distance from center of cluster 23.19
- Country: Sri Lanka , with distance from center of cluster 32.69
- Country: Ukraine , with distance from center of cluster 14.63
- Country: Egypt , with distance from center of cluster 11.02
- Country: India , with distance from center of cluster 15.52
